

Scree plot with Carbonates

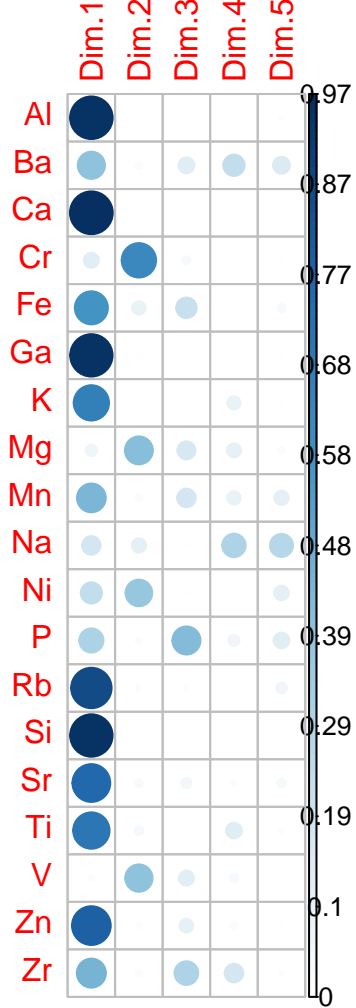

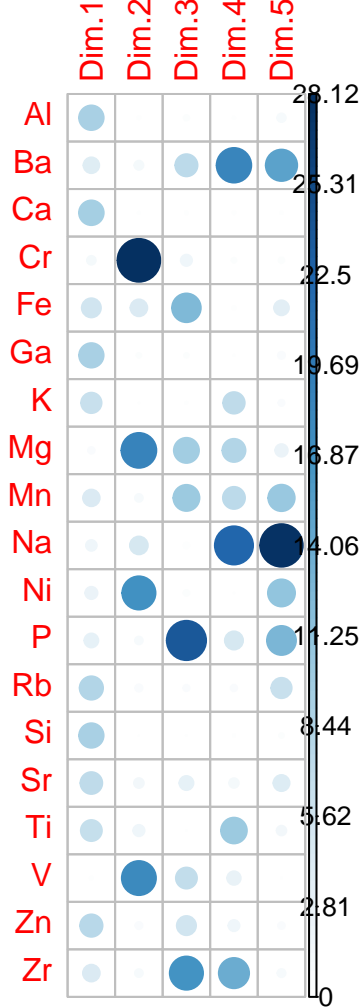

## Variables – PCA with Carbonates

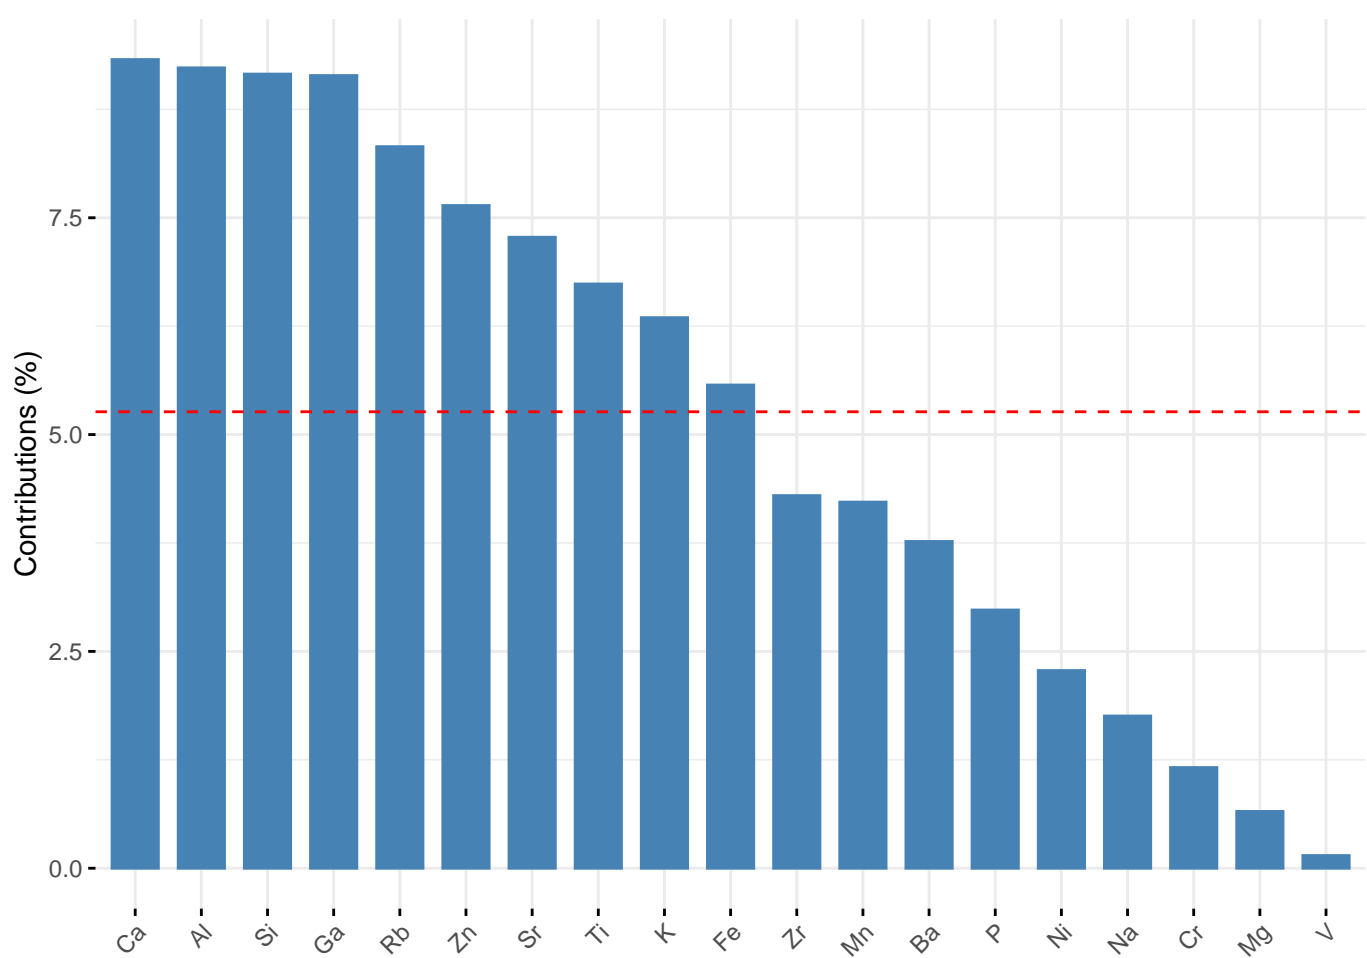

PCA – Biplot with Carbonates

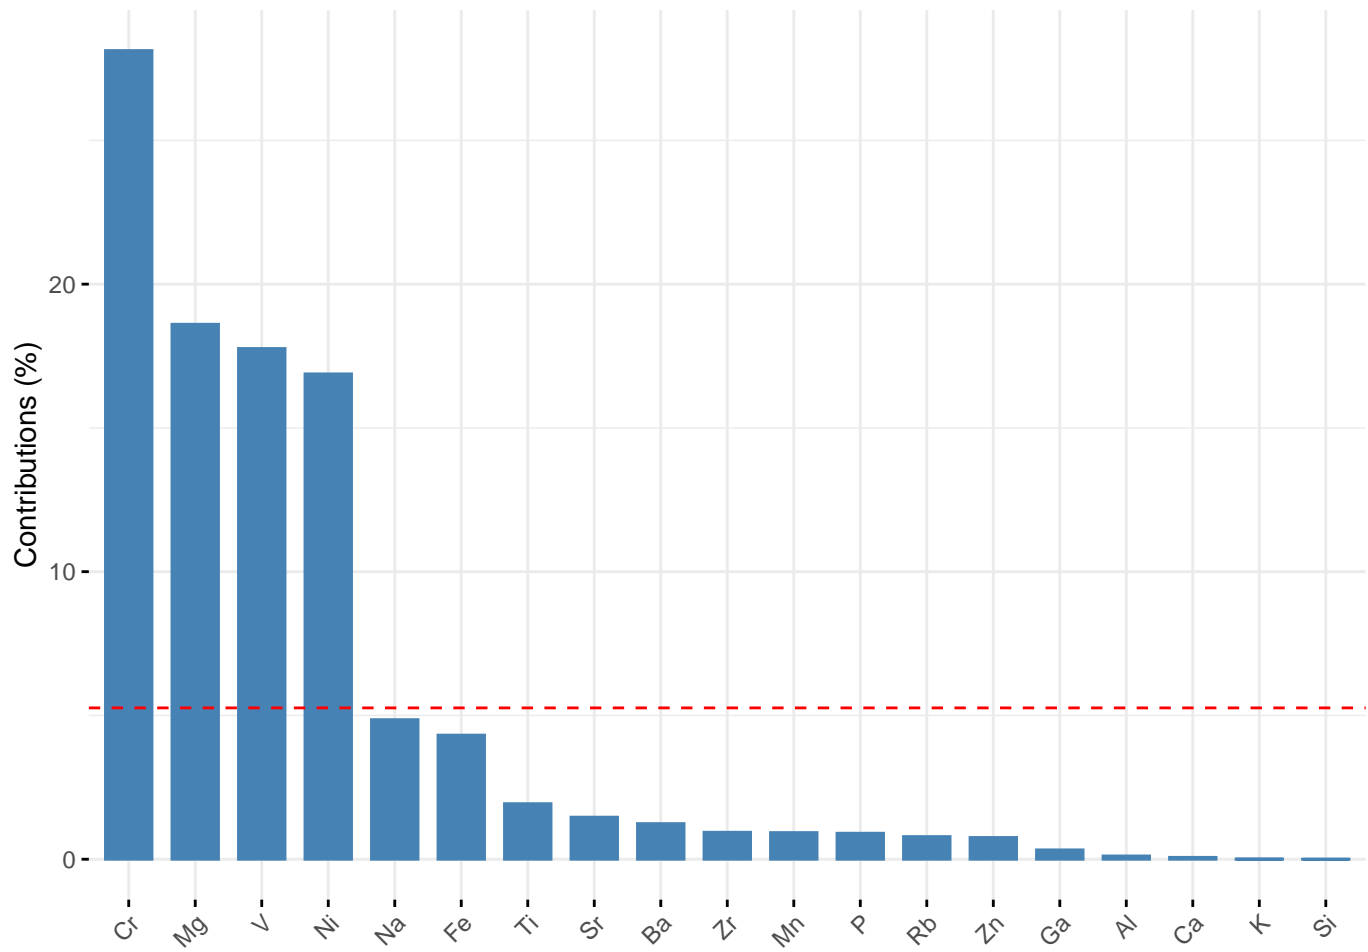

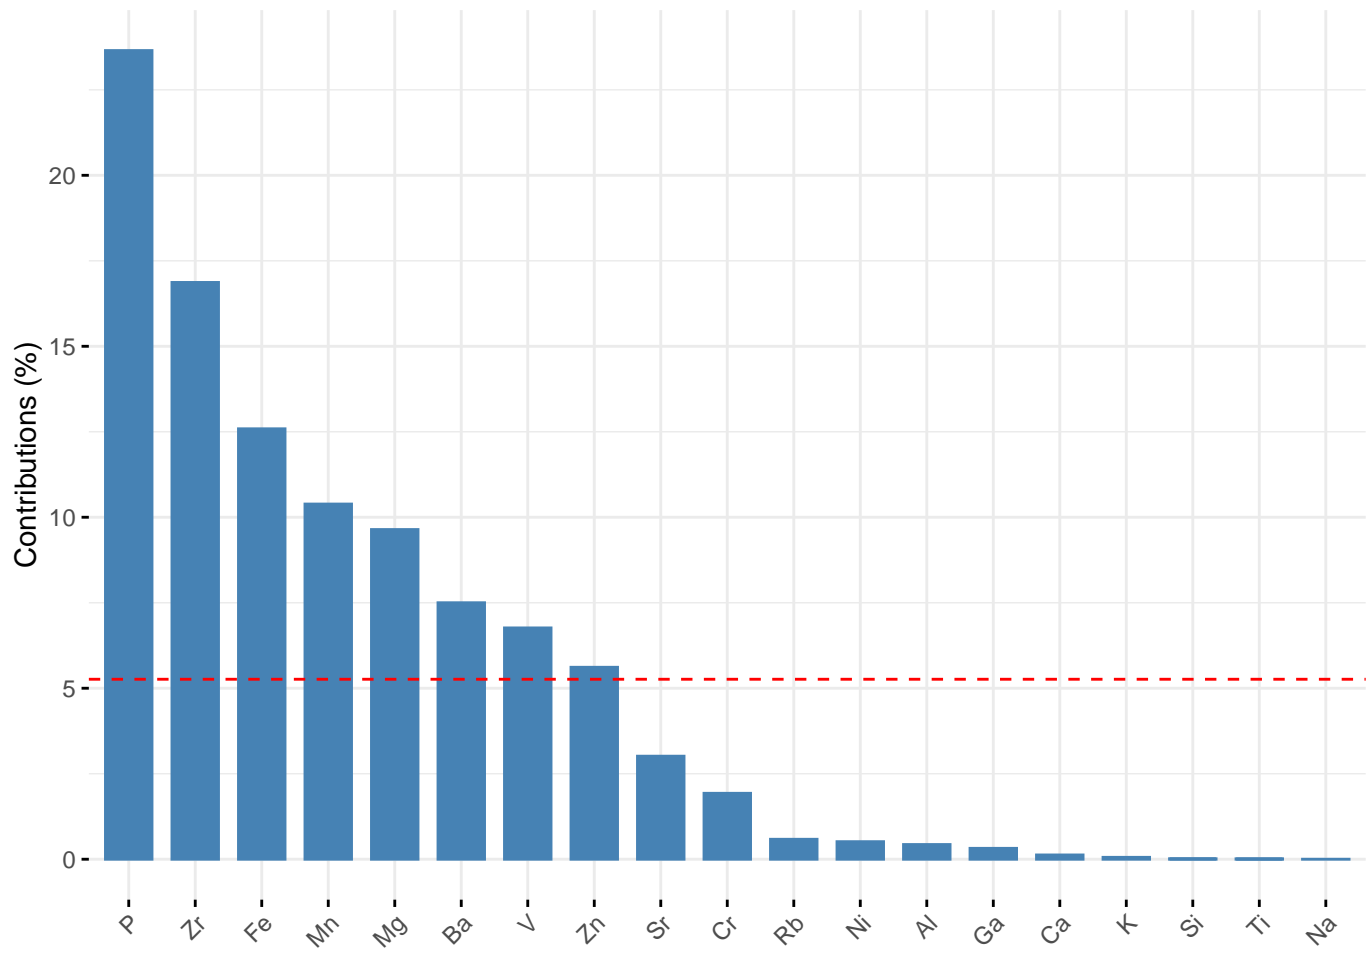

Contribution of variables to Dim-1 with Carbonates

Contribution of variables to Dim-2 with Carbonates

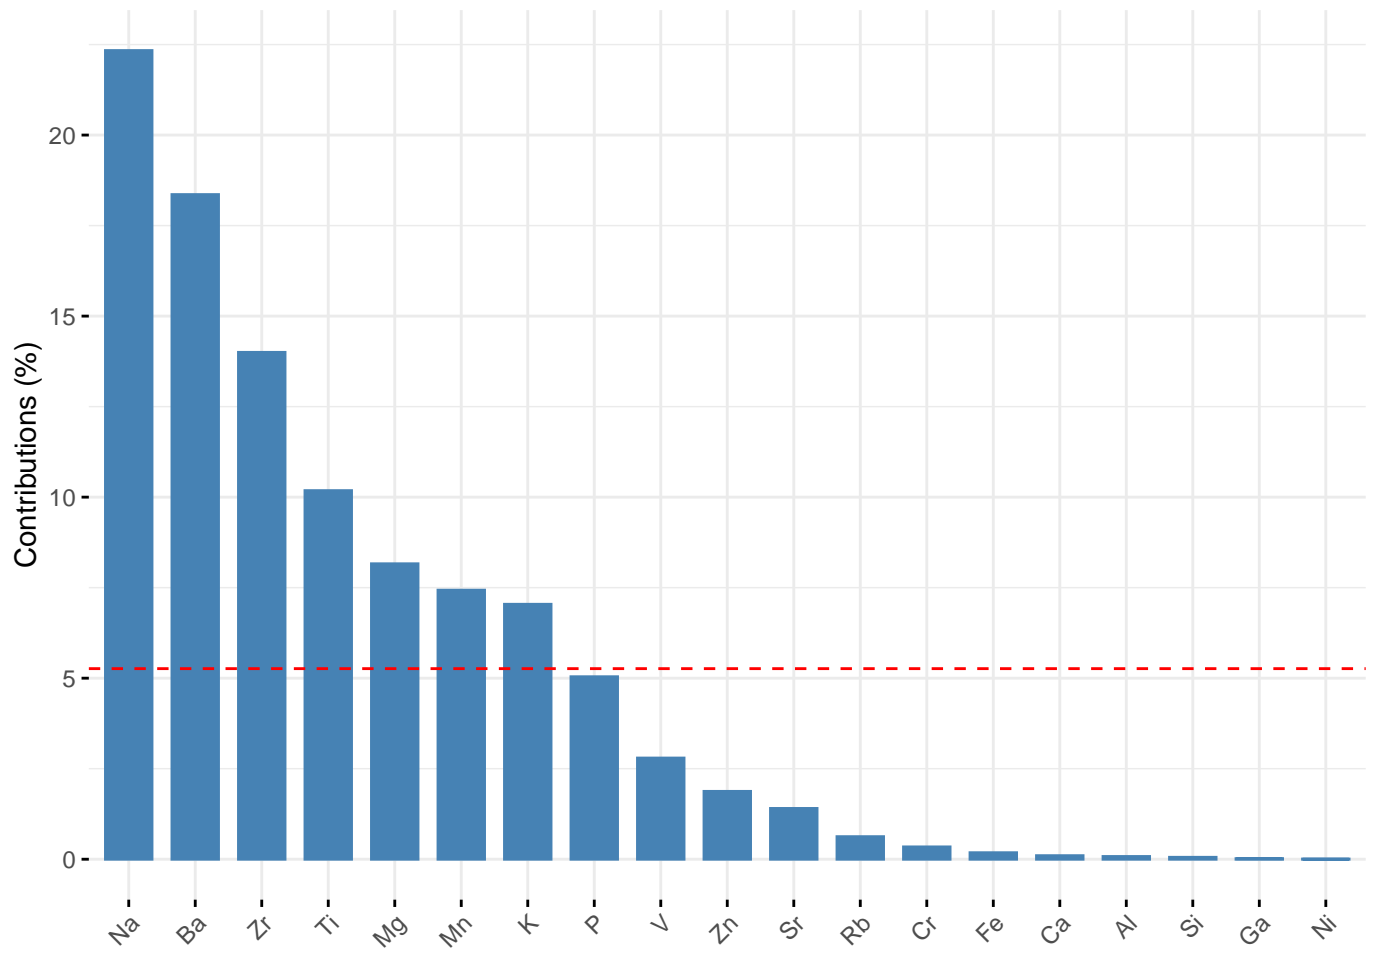

Contribution of variables to Dim-3 with Carbonates

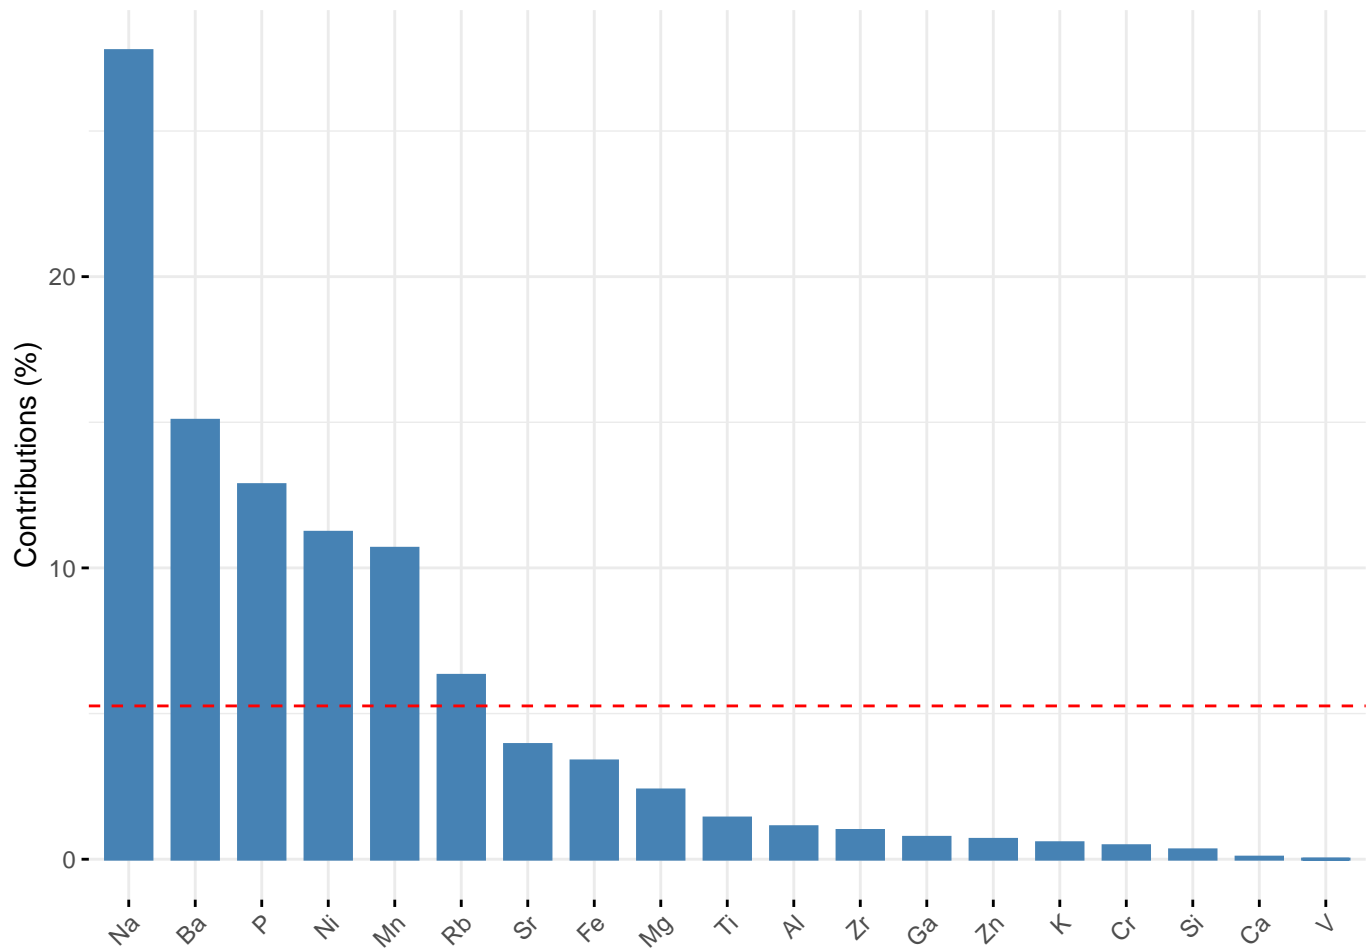

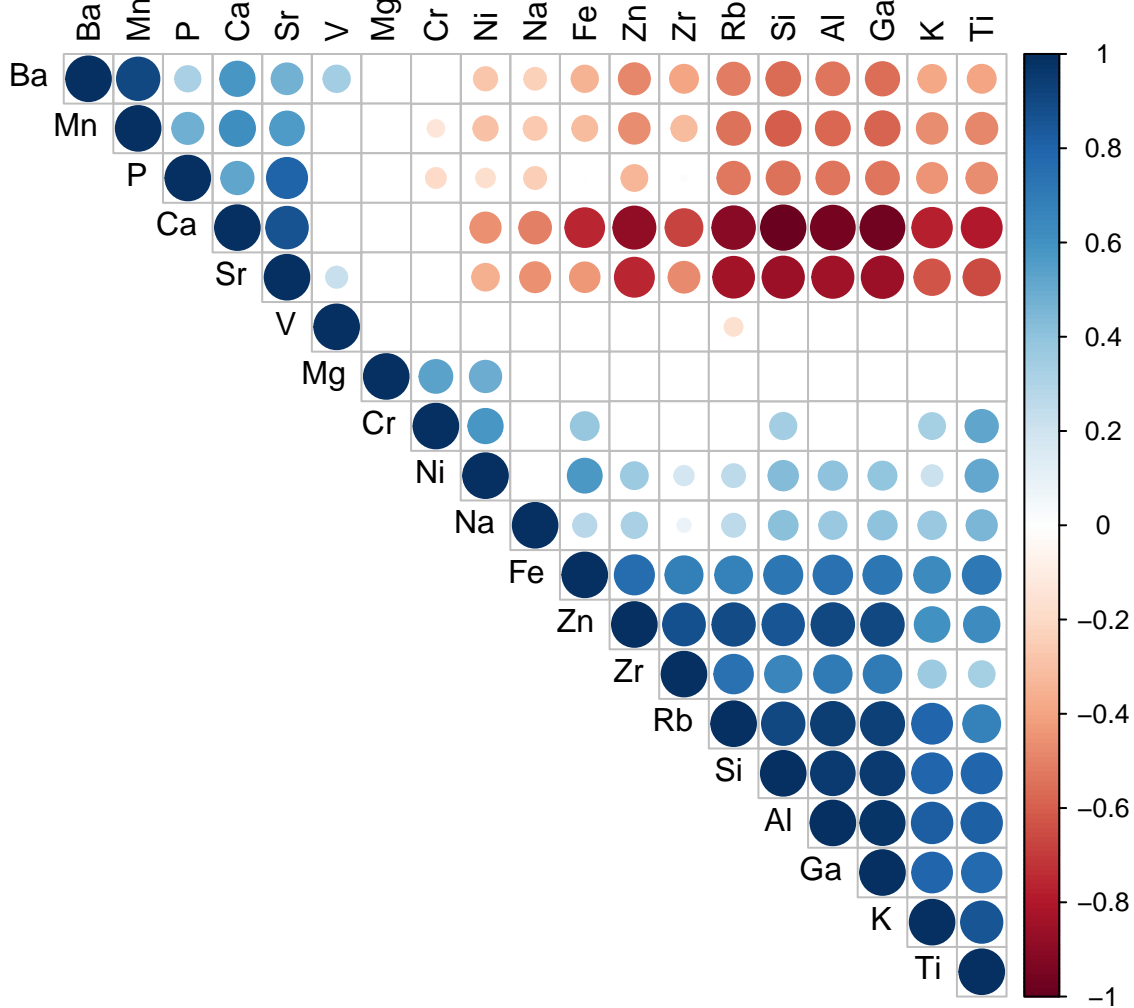

Contribution of variables to Dim-4 with Carbonates

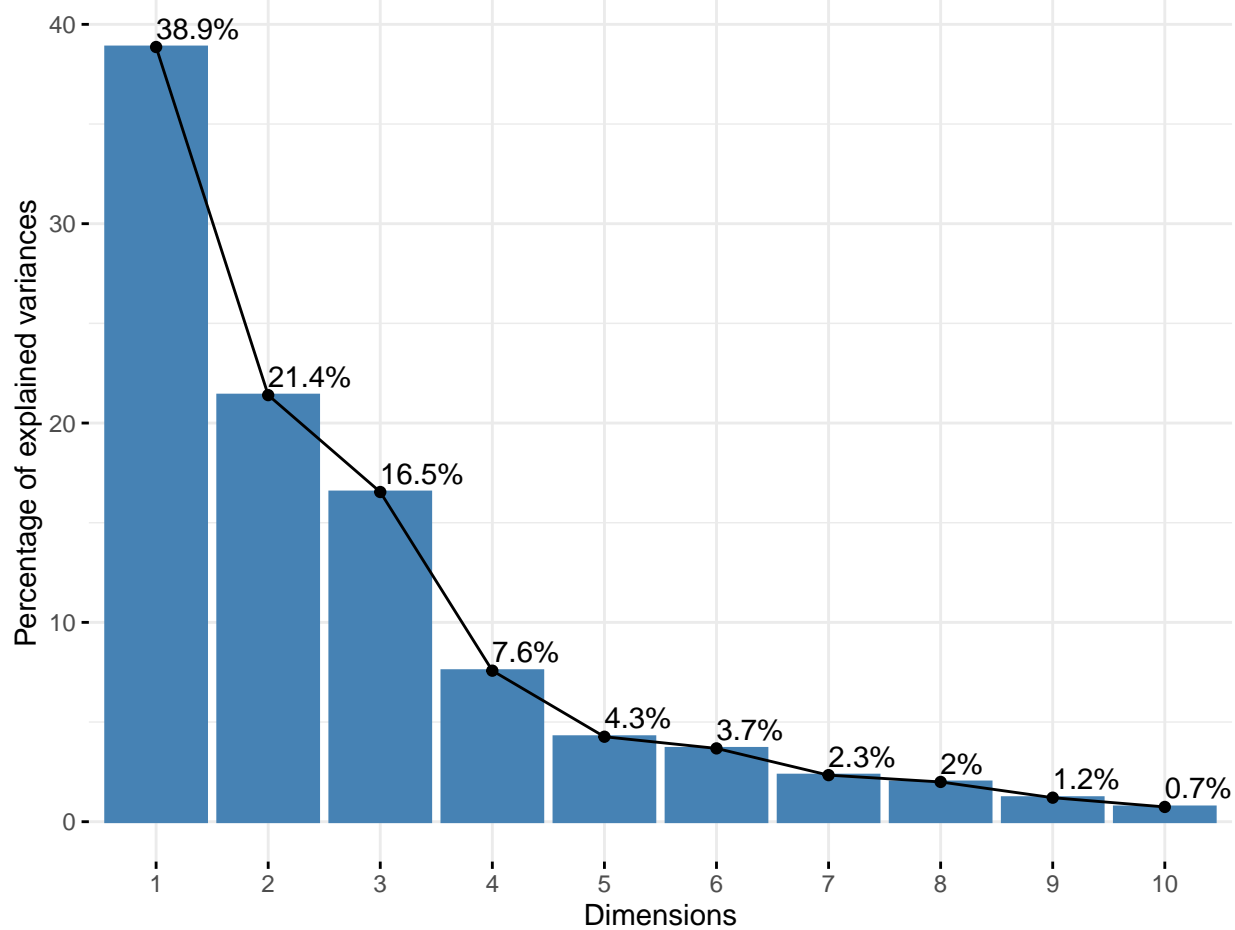

Contribution of variables to Dim-5 with Carbonates

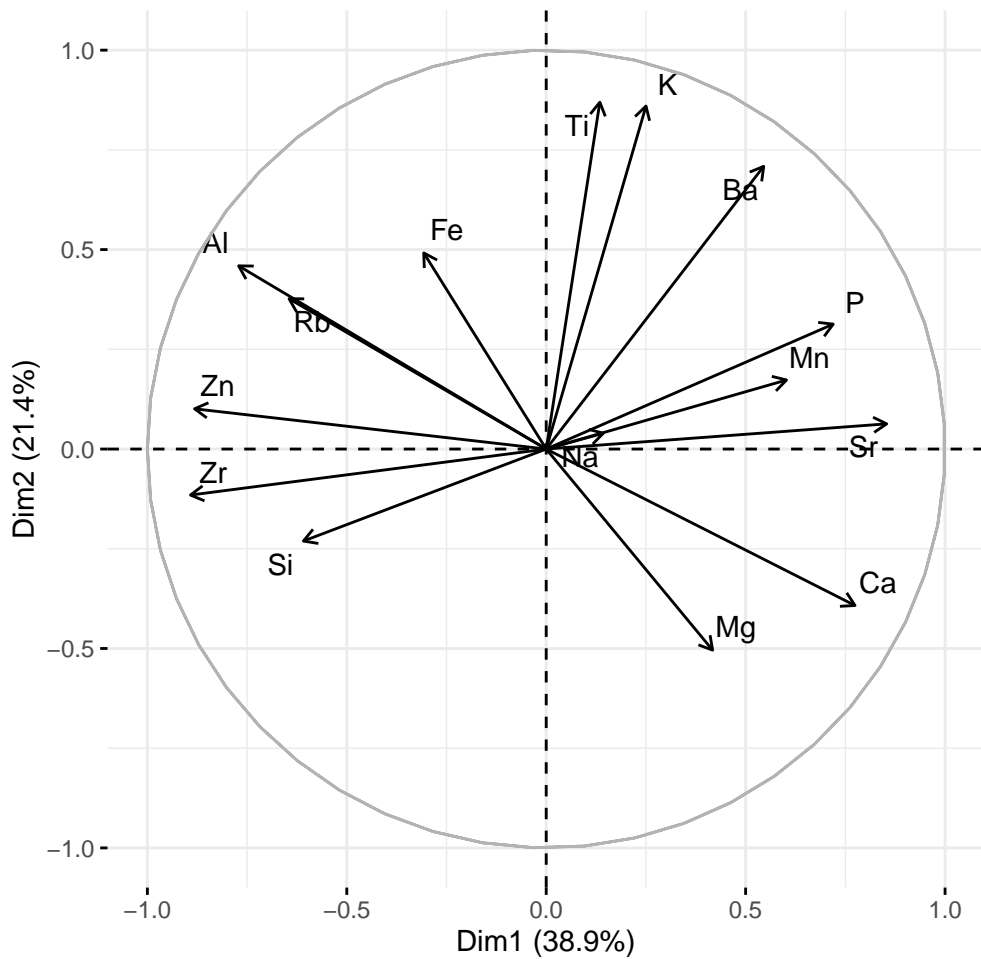

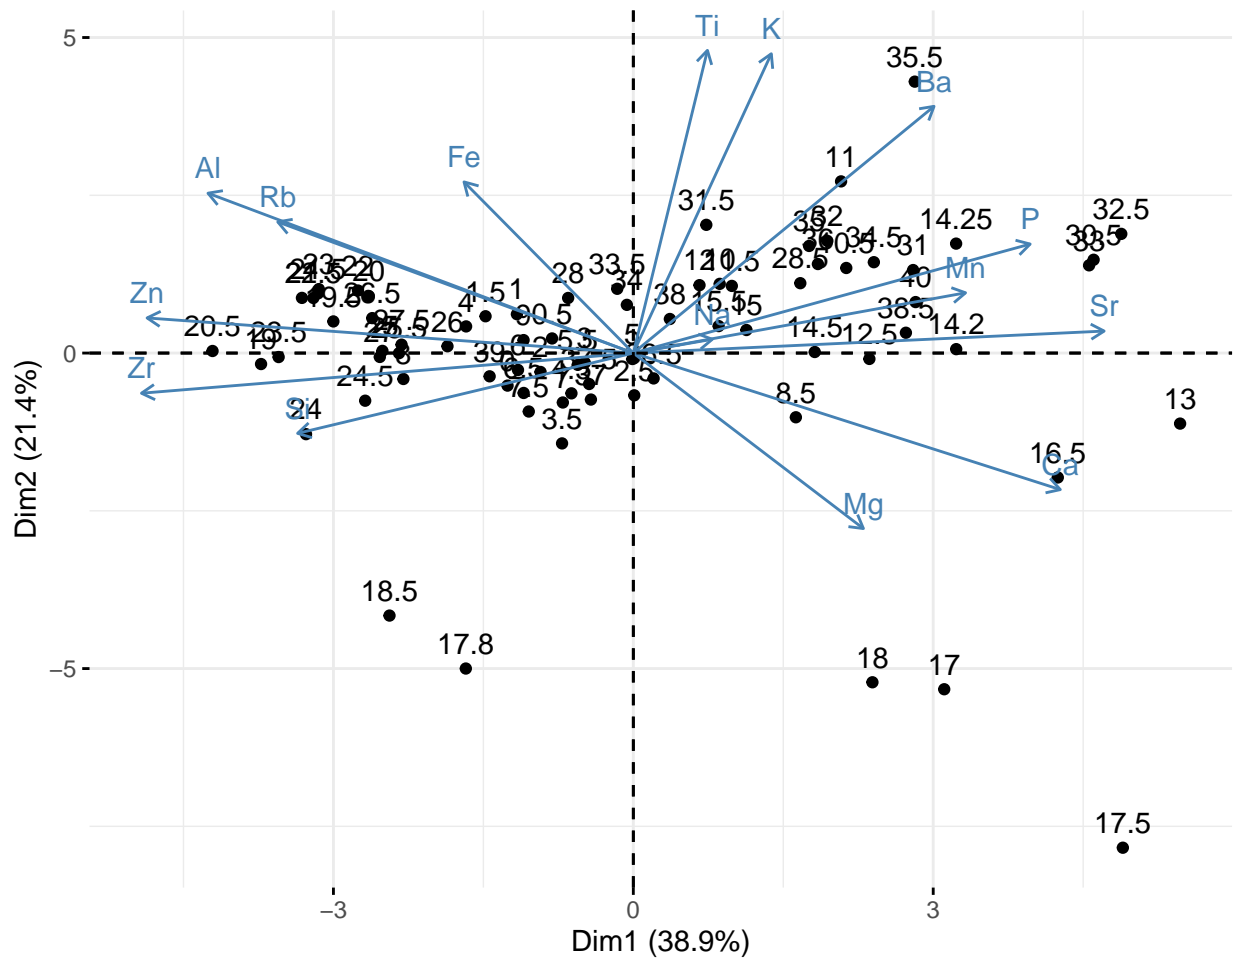

Scree plot used for Analysis

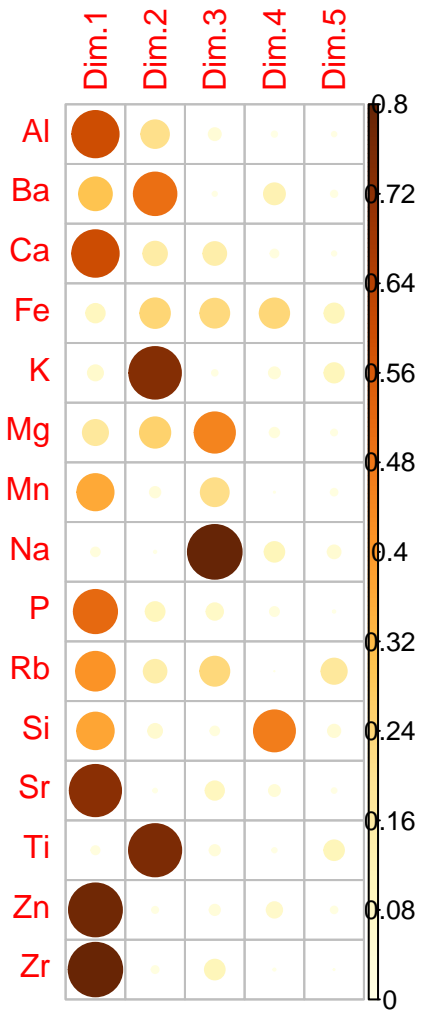

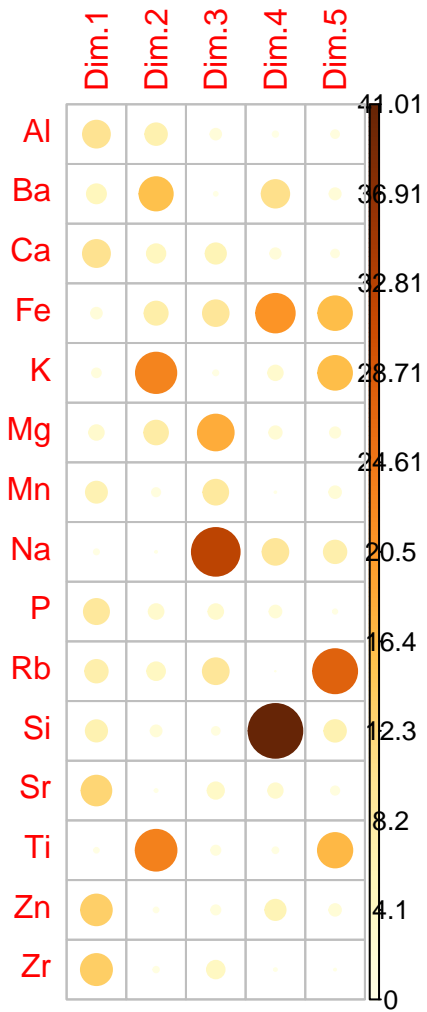

Variables – PCA used for Analysis

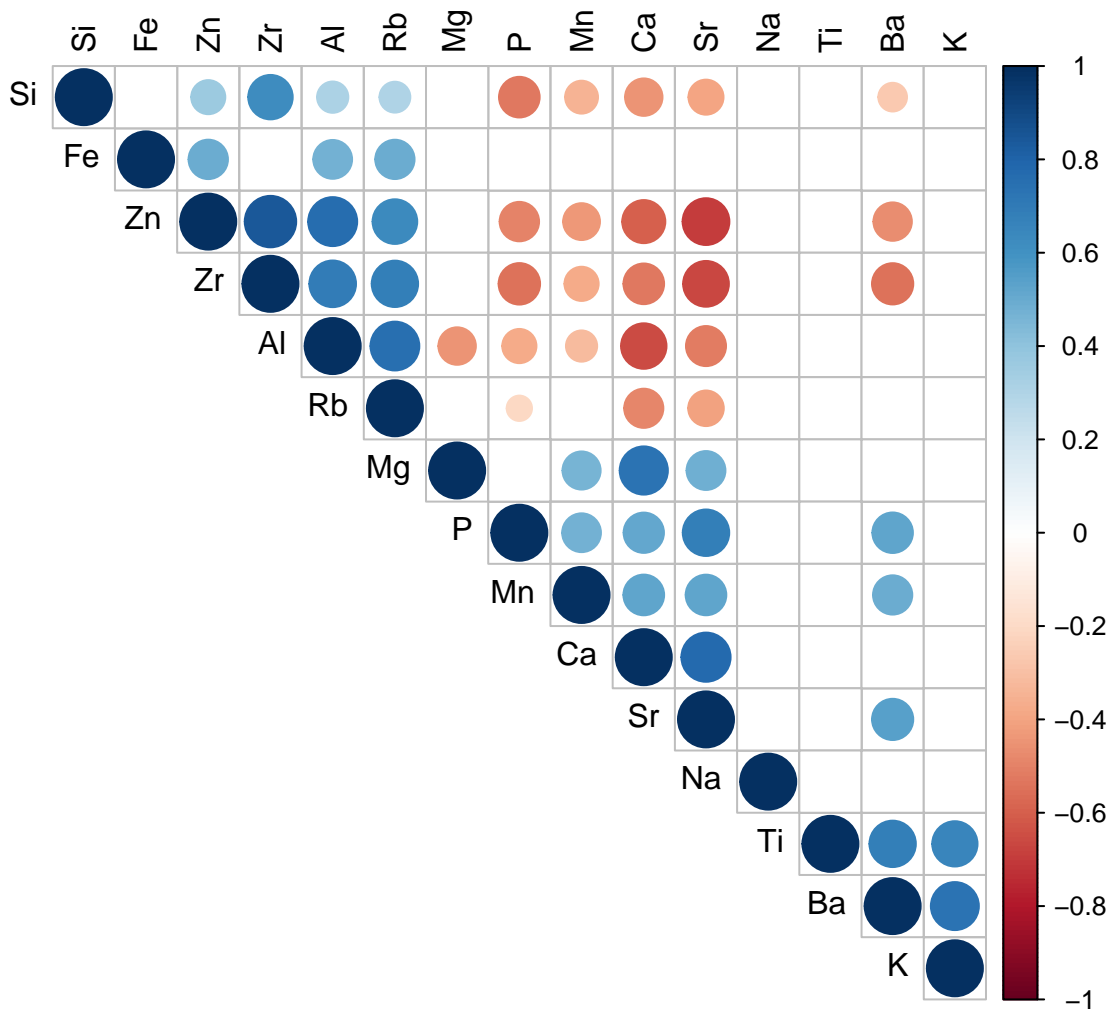

PCA – Biplot used for Analysis

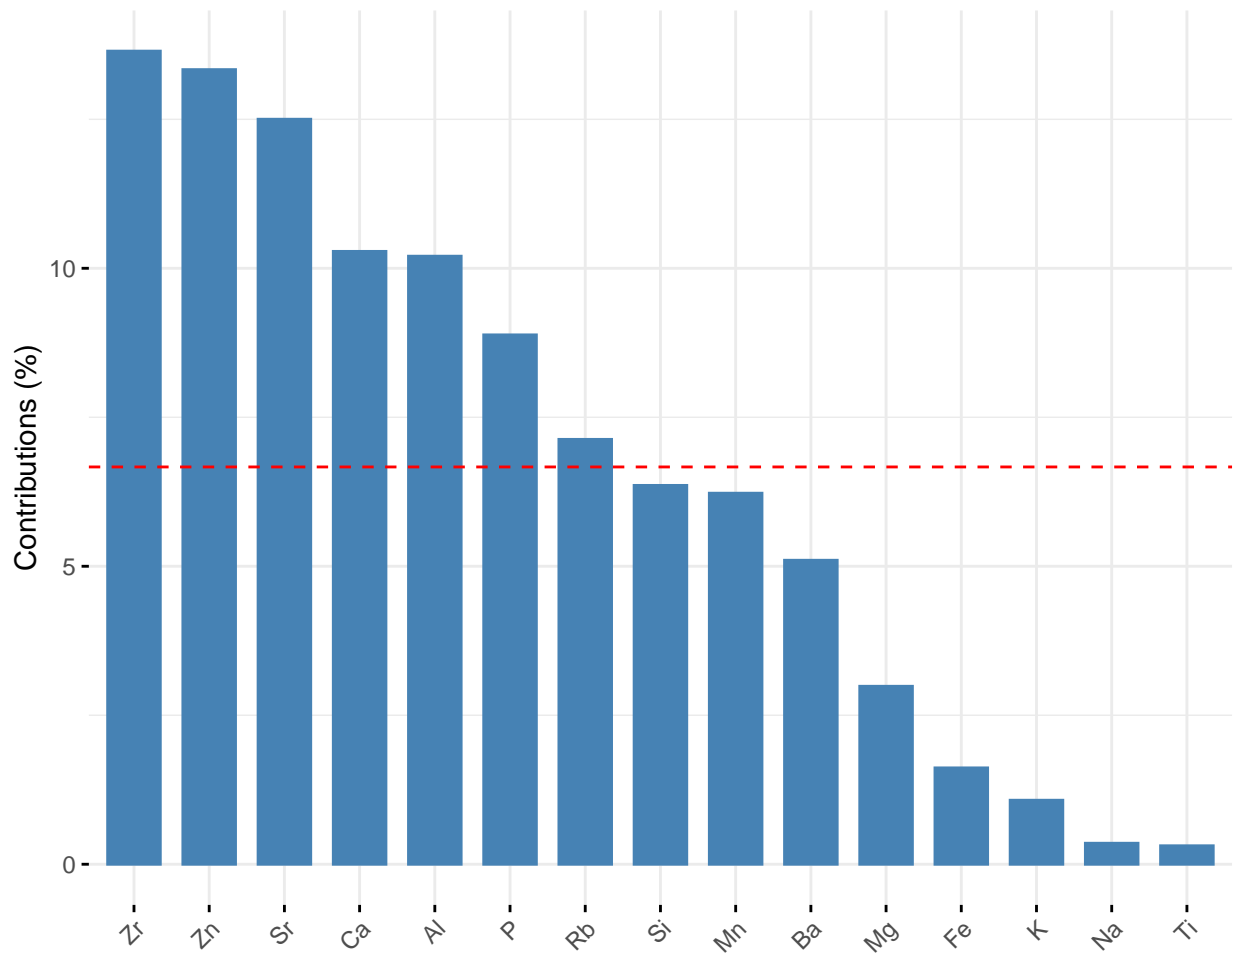

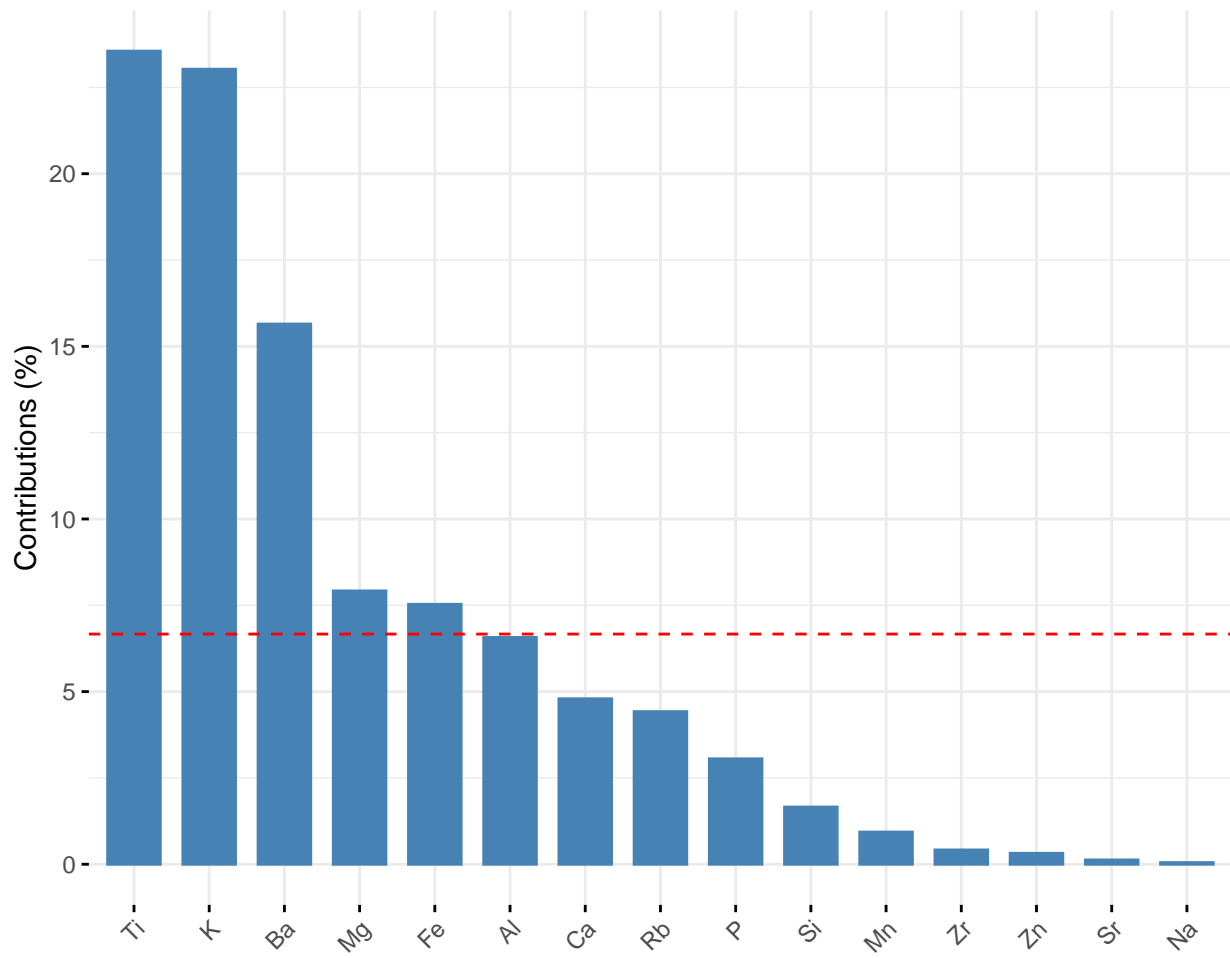

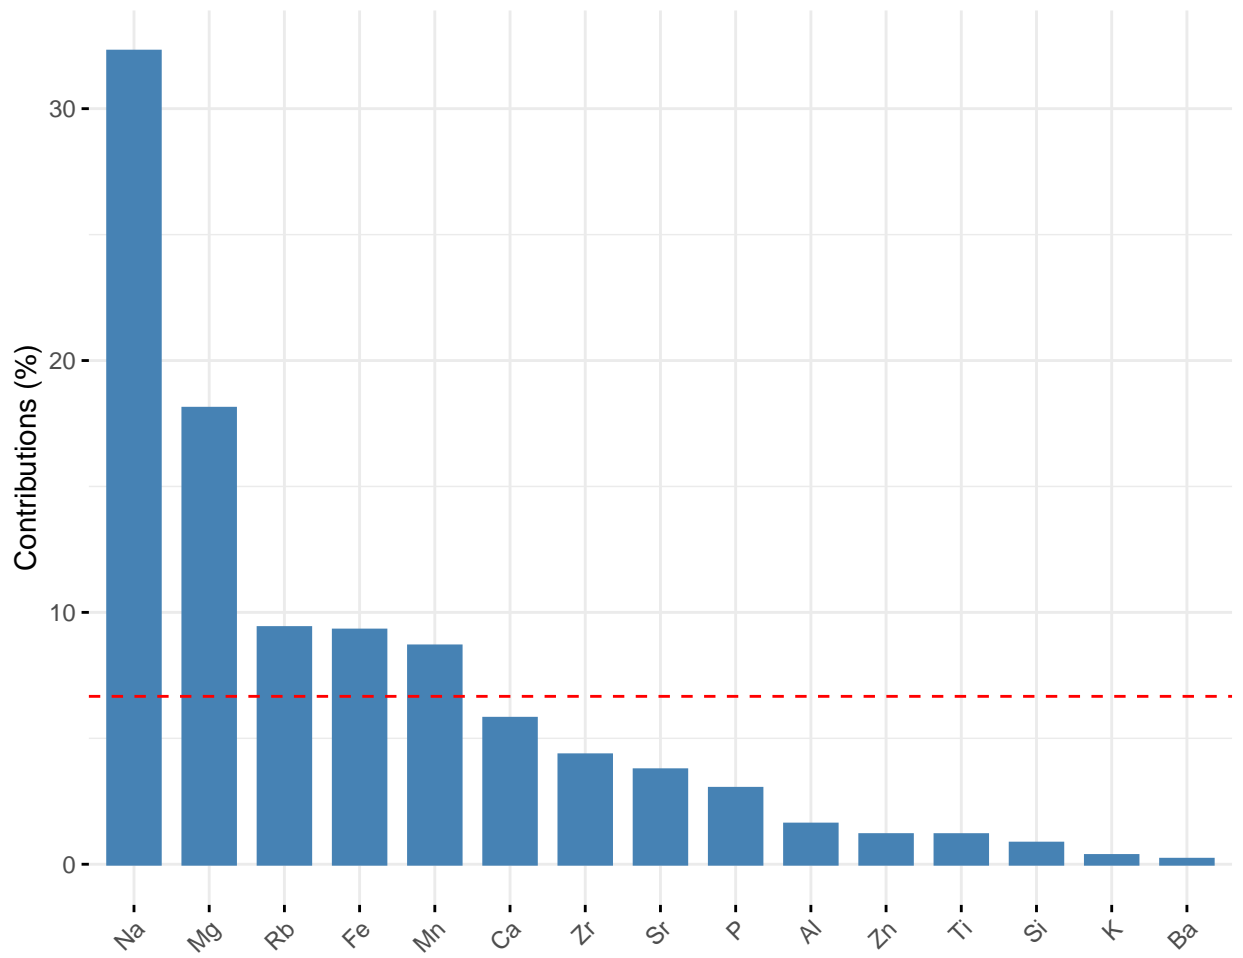

Contribution of variables to Dim-1 used for Analysis

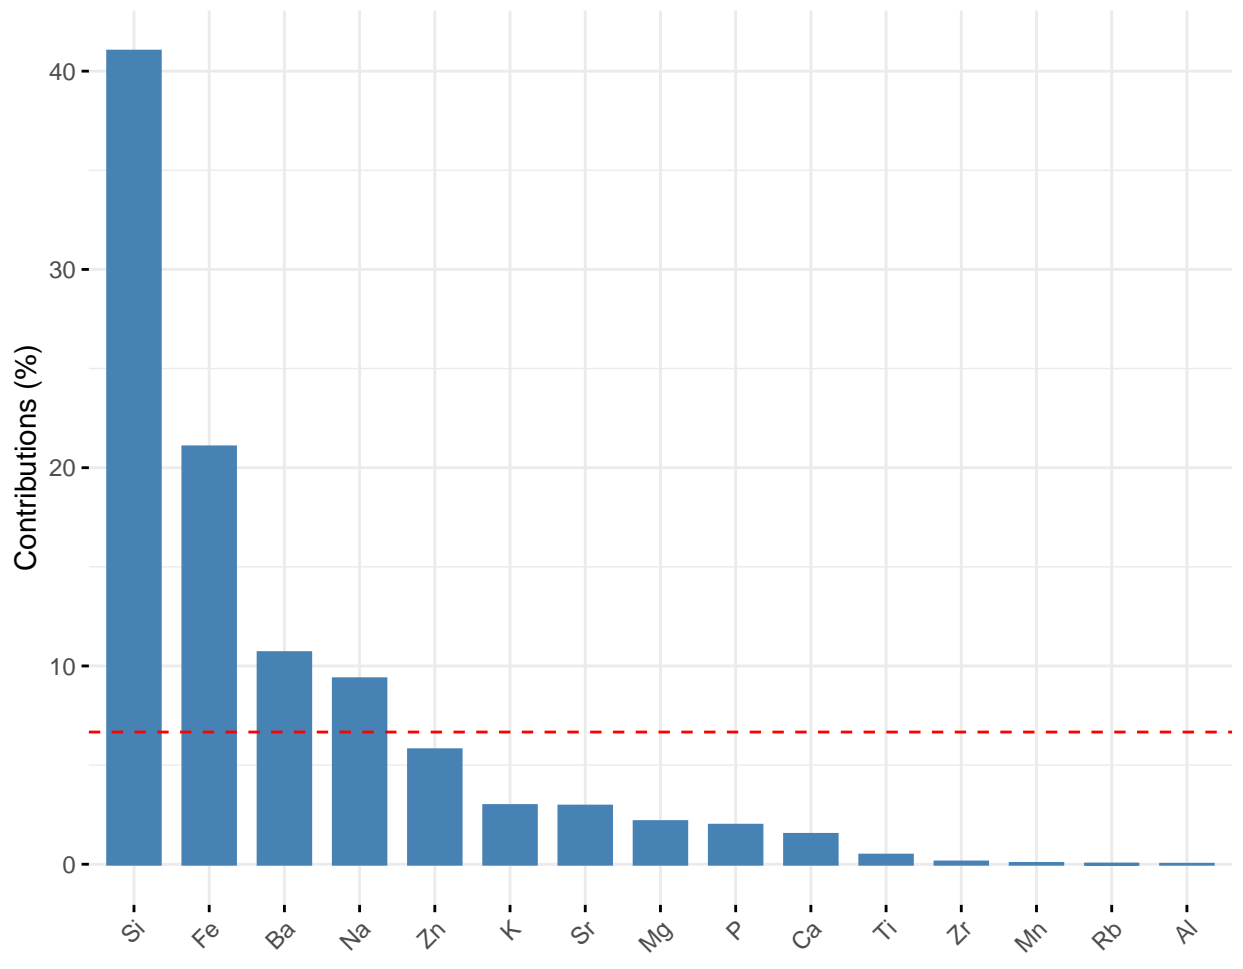

Contribution of variables to Dim-2 used for Analysis

Contribution of variables to Dim-3 used for Analysis

Contribution of variables to Dim-4 used for Analysis

Contribution of variables to Dim-5 used for Analysis
